INCLEMENT WEATHER BUS ROUTES

In the event of snow and ice at the higher elevations, some bus routes may be cancelled. When these routes are cancelled, students may be taken to alternate snow route locations to catch the bus. These alternate snow route locations and times will be posted on our District web site and will be given out to parents and students who reside in the higher elevations. In severe conditions there may be a 2 hour delay or no school at all. This information will be given to local TV and radio stations.

These times listed below are based on regular route times. If it is necessary to have a 2 hr delay these times should be adjusted accordingly.

- Bus #DC1** **WILL NOT** travel past the Tiller Ranger Station
 WILL NOT travel on South Umpqua Rd
 The bus will meet students at the Tiller Ranger Station - 7:30 AM
- Bus #DC7** REGULAR ROUTE
- Bus #DC9** REGULAR ROUTE

Special Needs parents with students riding will be called with times and conditions if needed.

THIS SCHEDULE MAY BE ADJUSTED BECAUSE OF UNUSUAL WEATHER PATTERNS AND/OR CONDITIONS
