Dear Parents and Students,

Here are a few answers to some of the questions being asked.

1. Have the 2020 graduation requirements been decided yet for this year?
 - a. Yes, ODE released these guidelines and they have also been attached. We will be reaching out to the families of our Seniors and constructing a path forward in the coming days.
2. Do the 2020 graduation requirements change anything for students taking high school credit courses in grades 8-11?
 - a. ODE is reviewing existing guidelines and will be releasing further guidance soon for grades 9-11; however, it appears students must still earn 24 credits to earn a regular Oregon diploma.
3. Will we return to campus this school year?
 - a. No. The governor announced today that in-person classes will not be resuming on campus this school year. The plan is to implement [Distance Learning for All](#) beginning April 13, 2020 throughout the remainder of the school year.
4. How do I get the materials and instructions I need for distance learning instruction that begins April 13?
 - a. Learning materials (digital and physical) for [Elementary \(K-6\)](#) and [Secondary \(7-12\)](#) are ready and physical materials can also be picked up on campus, Monday-Thursday from 8 am - 4 pm. Those with phone or internet service can access resources [using this link](#) or [browsing Atlas](#). [This short video](#) will help guide you through the Atlas browsing process.
5. Is the district providing breakfast and lunch for students in need?
 - a. Yes. Here are the pickup locations in [Days Creek](#), [Riddle](#) and [South Umpqua](#) school districts. Any student from any district will be served at the most convenient location.
6. What is the best way to remain connected to the latest information?
 - a. Register your phone number through Remind. Make sure the school has your working email address. If you are not sure, call the school office and talk to Cheryl or an administrator. Read the latest updates on the [school website](#) and [Facebook](#) account.
