

Introducing... Mrs. Collins

Why are you a teacher at Days Creek?

I am a teacher at Days Creek because I love the small community and the rural area. I look forward to connecting more individually with my kids to help tailor a meaningful and productive educational experience for them.

Where did you go to college? What was your major? Why did you choose that major? What are your certifications?

I went to college at Eastern Oregon University. I majored in English and Writing with a minor in Psychology. I chose to major in English because I am a total book worm. I enjoy writing oddly enough and like to participate in recreational writing as a hobby. It was also a way to work towards teaching a subject that I am passionate about and allowed me the opportunity to share my love of literature. I will be working through my MEd in Secondary Education throughout the next few years to further my education.
