

# Introducing... Mrs. Bong

Why are you a teacher at Days Creek?

I live here and want to help the kids in my community.

Where did you go to college? What was your major? Why did you choose that major? What are your certifications?

Cornell University. Major: Engineering (Chemical). I liked Chemistry and had a strong foundation in Math & Science. I chose the major because at that time it offered the highest starting pay rate.

■ Math Tutor

What is your greatest advice to Students? Parents?

If you want to be good at math, practice a lot. Practice correctly. Work smart, not hard.

What is your hidden talent?

I have amazing plant-slaughtering abilities.
