

Introducing...

Ms. Jephson

Why are you a teacher at Days Creek?

I grew up in a small town that is very similar to Days Creek. I love the sense of community and closeness that Days Creek has. I am so excited for this school year!

Where did you go to college? What was your major? Why did you choose that major? What are your certifications?

The first college I attended was UCC, where I received my AAOT in General Arts and Letters. After attending UCC I transferred to Southern Oregon University, where I received my Bachelors of Science in Health and Physical Education. Finally I received my Masters Degree in Teaching from Pacific University. I grew up surrounded by teachers and always knew that teaching was for me! I love working with kids and seeing that spark when a student understands a new concept that is being taught.

What is the funniest thing that happened while teaching Distance Learning?

Many of my lessons were pre-recorded when we started teaching online. I had a parent report that her child would talk to the computer as if I was really there.

What is your greatest advice to Students? Parents?

Try your best and always ask questions!

What is your hidden talent?

I have an artistic side and am very good with a sharpie!
