Why do you work at Days Creek?

I am the Child Nutrition Manager and Head Cook here at Days Creek. I was asked by the superintendent at the time, 2004, if I was interested in cooking for school students; and well, here we are!

Share more about yourself.

I attended Days Creek School as a first grader and graduated in 1979.

What is the funniest thing that happened while working at the school?

The funniest thing that happened in the cafeteria - too many to mention. lol The sweetest thing that ever happened in the cafeteria was when a kindergartner sang a song to me, while he was eating. Cutest thing EVER!

What is your greatest advice to Students? Parents?

What is your hidden talent?

I'm an artist, but, what I love to do the most, is remodeling or building; from the planning stages, to the demo, and the finished product.
