INFORMAL REQUEST FOR PROPOSALS

**Solicitation For the Provision of a
Master Contract for:
Engineering Services for Seismic Evaluation
Technical Assistance Program (TAP)**

OVERVIEW/BACKGROUND

Douglas County School District #15 - Days Creek is located in Days Creek and serves southern Douglas County covering 400 square miles. The District provides educational services to approximately 210 students and employs over 40 personnel.

The District has one K-12 school campus. In addition to the schools, the District manages a bus barn, a maintenance shed, a three storage barns, two greenhouses, a rental house and a water facility for a total facilities footprint of over 100 acres.

Douglas County School District #15 - Days Creek was approved for the ODE's Seismic Assessment grant from the Technical Assistance Program (TAP). This grant will be used to assess the current condition of the District's buildings to withstand a significant earthquake or seismic event.

PURPOSE AND OPPORTUNITY

The purpose of this Informal Request for Proposals (Solicitation) is to obtain competitive offers from certified Structural Engineers licensed in the State of Oregon to provide a Seismic Evaluation of existing buildings. The Seismic Assessment is a required component of the application to Business Oregon's [Seismic Rehabilitation Grant Program](#). The District intends to apply for funding to retrofit buildings as needed.

Scope of Work: Perform a seismic evaluation of the building, per American Society of Civil Engineers ("ASCE") Standard 41-17 "Seismic Evaluation of Existing Buildings". Develop rehabilitation and mitigation strategies per ASCE Standard 41-17 and the 2014 Oregon Structural Specialty Code ("OSSC").

The below list is required for the Seismic Rehabilitation Grant.

- Preliminary Engineering Report or Assessment (Must use the [American Society for Civil Engineers \(ASCE\)](#) 41-17 evaluation method either Tier I or II);

- Cost Estimate (Project management, construction management, asbestos abatement, testing, permitting, construction, labor);
- Benefit Cost Analysis;
- Photos of the Buildings Proposed for Rehabilitation; and
- Department of Geology and Mineral Industries (DOGAMI) [Rapid Visual Screening \(RVS\) Seismic Needs Assessment](#)

SEISMIC ASSESSMENT REQUIREMENTS FROM THE TAP GRANT

- Must be certified by a [Structural Engineer licensed in the State of Oregon](#).
- The report must conform to the requirements outlined in [OAR 581-027-0045](#). All applications must now contain the ASCE 41-17 checklists and all shelter projects must be retrofit to Immediate Occupancy standards.
- The Seismic Assessment is a key component of the grant application for [Business Oregon’s Seismic Rehabilitation Grant Program](#). Through the SRGP, school districts can apply for funding to retrofit buildings. All SRGP applications must now contain the ASCE 41-17 checklists and all shelter projects must be retrofit to Immediate Occupancy standards. Alternately, if the SRGP is not an option, districts can include seismic rehabilitation projects in their local bond campaign.
- Final reports and invoices for all 2022 TAP grants should be submitted to ODE by December 31, 2023. Please submit documents via email to the TAP Administrator or ODE.SchoolFacilities@ode.oregon.gov. Your district may also submit files greater than 5 MB via [Secure File Transfer](#).
- ODE allows districts to submit invoices for work that was started in the current fiscal year. For 2022 grant recipients this is from July 1, 2021, to the end of the grant period, December 31, 2023.
