Why are you a teacher at Days Creek?

I love working with kids. I love seeing the light go on when a student understands something for the first time.

Where did you go to college? What was your major? Why did you choose that major? What are your certifications?

I went to George Fox College in Newberg, Oregon. My major was Elementary ed. I always knew that I wanted to work with kids in some way. After getting field experience in an elementary classroom I knew that teaching was for me. I have a Basic Elem. Ed. (k-8) certification.

What is the funniest thing that happened while teaching Distance Learning?

I loved the videos the students would submit. Some were very comical and lengthy.

What is your greatest advice to Students? Parents?

The best advice I can give any student would be to always try your hardest and never to give up. To parents I would say that reading to your child is one of the best gifts that you can give your child.

What is your hidden talent?

I have a talent that drives the men in my house crazy, and that is rearranging the furniture.
