

DAYS CREEK CHARTER SCHOOL

DOUGLAS COUNTY SCHOOL DISTRICT #15

MR. STEVE WOODS, SUPERINTENDENT

March 20, 2020

Greetings Days Creek Supporters,

We want you to know that we are partnering with the best minds around the world in an effort to overcome the challenges COVIN-19 has brought to our community. We are engaged in multiple conversations a day to implement a plan that will help our students prepare for future success. These plans recognize all students (K-12), are at a unique learning stage regarding proficiencies and standards. Therefore, the Oregon Department of Education is consulting with government officials and collaborating with other states in an effort to pool resources and construct a path forward that will help our students achieve their full potential.

We have now missed 4 instructional days of school and about to begin Spring break. With that said, here are a few reminders and updates:

1. All Oregon school districts will remain closed until Wednesday, April 29th. Officials will use the CDC guide "[Considerations for School Closure](#)" to determine future action.
2. Teachers are preparing the most efficient way to deliver instructional supports to you digitally (if you have internet access), or physically that can be picked up at school or delivered closer to your location. **The plan is to begin off-campus instruction on April 1.**
3. Consider reviewing our [course curriculum maps](#), [these links](#) or links from our [Kelso](#) or [Spokane](#) partners who are ahead of us when it comes to school closures and learning from home.
4. **Seniors** – Changes pertaining to graduation credit requirements will be announced soon. It appears there will be some local discretion, but the majority of changes will come from the Department of Education.
5. **All students in grades K-12** – We miss seeing your smiling face on campus and look forward to your return. **Keep learning!** There are many things you can do while you are away like; read a good book (if you don't have one, let us know and we can deliver), journal about your experiences, or check out some of the learning links provided. Many of you have access to Dreambox or an Edgenuity class. If you would like another Edgenuity class added or don't have one, just let me know and we will add. Remember "**Knowledge is Power**" – so get stronger and we will see you soon!
6. Updated COVID-19 information can be found [from government officials](#), [ODE](#), [the CDC](#), and [Douglas ESD](#).
7. Ongoing updates will continue to be posted on our [District's website](https://www.dayscreek.k12.or.us/) (<https://www.dayscreek.k12.or.us/>) and [Facebook account](#). Please contact steve.woods@dayscreek.k12.or.us if you have any questions that need to be answered.

Enjoy your Spring break and we look forward to your healthy return!

Go Wolves!
